

Jarl van Lootscoop
 Jarl van lootstoot
 fondle is inheritance
 squandered is in arrogance
 launders ^{own} in evidence
 Carl von bootlick
 tomorrow ~~is~~ gone lootstuff
 pondered his own arrogance
 until it beaks true & whole in is at
 limper piss

travels eyes wipe tighter
ineter type little bear of plans
kroger my bed daddy
thirty chew feet per sicken
the nature office heresy remains obscure
father baby clam had funny rures
runny fumes had farther maybe ham .
